

## 2002-03 EIS ELECTRONIC TRANSMISSION SCHEDULE

Please note that all data/extract errors should be cleaned up by the report due date. In order to minimize errors in later extracts, please send the extracts as grouped on the schedule. Errors in basic record types should be cleaned up before sending the next extract group.

Transmission Penalty Deadline	Required Reports	Data Type	Electronic Extracts Required
-------------------------------	------------------	-----------	------------------------------

July 15, 2002 Penalty Deadline <b>Revised to July 22, 2002</b>  (June 1 Report Due Date)	200 Day Accountability Report	District Calendar Data	<p>Only District Calendar data should be sent. Districts must check calendar details and the Report for accuracy and transmit corrections. Extracts required: 010 – 200 Day Calendar 011 – 200 Day Event Calendar</p> <p>The 200-Day Accountability Report(s) should be approved online by Districts and SDE. <b>The district calendar(s), extracts 010 and 011, should be sent and corrected before any of the school calendars are sent. Each school calendar must have a district calendar loaded before the school calendar will load.</b></p>
August 15, 2002		School Calendar Data	<p><b>ALL PRIOR EXTRACTS AND CHANGES MUST BE SENT BEFORE THESE EXTRACTS.</b></p> <p>School Calendar Data will be captured at the district and transmitted for all schools within the district. This includes every active school that has a school number assigned. Extracts required for each school: 020 – Instructional Program 021 – Instructional Program Report Period 022 – School Days Each school calendar, extracts 020, 021, and 022, must be sent and corrected before any other extracts are sent because the other data must be attached to a school calendar. School Calendar Details should be reviewed for every school.</p>
